Because of their generous support, we've been able to expand our basket program and diagnosis advocacy work across the nation, reaching more medical providers and celebrating more babies with Down syndrome."

ABOUT THE CARLY MAY FOUNDATION

Out of great love and loss, the Carly May Foundation was founded to honor the life of Carly May Harris. Carly was born on July 21, 2004 with a rare translocation in which one of the 21st chromosomes had two long arms and the other 21st chromosome was normal. For the 2 years, 9 months, and 18 days that she was alive, Carly and the Harris family were supported by organizations such as the M Health Fairview Masonic Children's Hospital that impacted their lives in a tremendous way. Because of this:

OUR MISSION

Our mission is to honor the life of Carly May Harris by helping to change the world for those with Down syndrome.

OUR VISION

Our vision is that every person with Down syndrome has access to life-changing resources, from birth through adulthood.

The Carly May Foundation relies on the experience, vision, and leadership of its volunteer Board of Directors to provide the organization with responsible governance and bolster its efforts to change the world for those with Down syndrome.

The Carly May Foundation is a registered 501(c)(3) non-profit organization
